## All Year Round Activities

### Helicopter Ride

For an incredible views of the mountains, take a helicopter ride over the top of the peaks and around the iconic faces of the Matterhorn. The special birds eye view will blow you away. Rides can be arranged from 20 minutes duration to 40 minutes.

### Horse and Cart / Sledge Ride

For a relaxing sightseeing tour around the village, take the horse and card in summer or the horse and sleigh in winter. The tour will take you end to end of the village, taking in the busy main street with its bars and restaurants, the Vispa riverbanks, the mountains and everything in-between. Suitable for all ages, up to a maximum of 5 persons per ride.

### Gornergrat Train Ride

An unforgettable train ride like no other and the highest in Europe, take the train from the centre of Zermatt to the Gornagratt at 3039 metres. The scenic journey takes over half an hour and you can stop on the way at any of the interim stops which have restaurants. Once a the top, take in the awesome vista of the tallest peaks in the Alps. Incorporate the ride with lunch or even a star-gazing evening dinner.

### Paragliding

Thrill-seekers can spend a morning or afternoon flying the thermals high above the village in a paraglider. Suitable for beginners as you will be strapped to an instructor. Choose from one of two take-off points in winter and four possible take-offs in summer and view the village and mountains as you have never seen it before. Flights last for a minimum of 20 minutes.

### VIP Cable Car Ride

Travel to the top pistes in style with a VIP bubble ride to the top. In a luxury bubble complete with music and champagne, you travel the cable car system from Zermatt to Trockener Steg. Single or return journeys are available.

### Nordic Walking

Nordic walking, or pole walking, has been a fashionable past-time since the 90's and involves mountain walking with a set of poles. The idea of using the poles is that it gives your whole upper body a work-out that you do not get from walking alone. This is an excellent way to stay fit, and a perfect way to train for winter skiing.

## All Year Round Activities

### Tennis

Indoor courts are available during winter and outdoor courts all summer long. Play with friends or family, or for real enthusiasts, we can organise a professional tennis coach to improve your game.

### Squash

The famous Hotel Alex in Zermatt houses the indoor Squash courts here. For an intensive workout, try a game of Squash with friends or family, or let us organise a professional coach. The courts were refurbished in 2012 so offer superb facilities.

### Swimming

There are many hotel pools available in Zermatt if you fancy a dip and a refreshing swim. Throughout winter you can pay to use most hotel facilities. This combines perfectly with some spa and beauty treatments. For a more rustic experience in summer, go for an outdoor swim in one of the many lakes, and finish off with a picnic or BBQ.

### Romantic Candlelit Dinner in Mountain Stadel

For a rustic Swiss experience, sample the traditional speciality foods at a mountain stadel restaurant for a romantic meal in front of an open fire. Travel by taxi in summer or toboggan in Winter back to the village.

### Matterhorn Museum

Hidden underground in the main street, you will find the museum of Zermatt, which chronicles the history of the village and how it grew from a crop of outlying farms to one of the most popular skiing resorts in the world. Using the state-of-the-art museum presentations, prepare to be fascinated with the local myths, legends and stories.

### Glacier Paradise

Entered through an ice tunnel, high up above Zermatt, the Glacier Palace lies fifteen metres below the glacier above. Once inside the glacier you will experience the eerie and magical ice world, with sculptures, light and sound displays. There is an ice slide to enjoy on the way round as well as a crevice walkway.

### Winter Activities

#### Heli Skiing

Not for the faint-hearted! If you are an expert-level skier, and want to push yourself to the maximum, try adrenalin-packed heli skiing for the day. With a local guide, you will be transported via helicopter to the top of the Alps, at one of 3 drop off points. A jump from the heli and you will have VIP access to parts of the mountain no else can get to. Enjoy the serene beauty whilst skiing through fresh untouched powder.

#### Tasch - Randa Cross Country Skiing

For skiing with a difference, try the 15 km of cross-country trails between Tasch and Randa, a previous world-championship track with hairpin bends. The beginning of the trail in Tasch is only a 12 minute train ride from the centre of Zermatt.

#### Full Moon Skiing and Mountain Dinner

The magic of the mountains seen by full moon is something you will never forget! On select dates throughout the season, you can join the piste control service and ski down in the moon light, once all the lifts are shut and the pistes are completely empty. Stop off at a selected mountain restaurant for a 3 course dinner on the way down.

#### Matterhorn Ski Safari

For skiers looking for an unusual challenge, why not attempt the ski safari, which will see you use every piste and run in the whole international area in just one day, covering a whopping 12,500 metres of altitude. The package includes instructor-guide for the day.

#### Sledging

Fun for all ages and an easy way to spend a day if you have tired ski legs, but still fancy some fun on the pistes. With a dedicated sledging piste to keep you safe from skiers, sledging is a great family day out. Chalet Zermatt Peak has 4 Porsche sledges for those that want to take it to the max, or hire a traditional wooden sledge.

#### Snow Shoe Hiking

For a serene day of walking through the undisturbed winter landscapes that are usually off-limits in winter, try a day snow shoe hiking with our experienced mountain guide. Zermatt has 4 marked trails which can all be walked by beginners with a general fitness level. Don't forget the camera on this special trip!

## Winter Activities

### Ice Skating

Family fun in the centre of the village at the ice rink, only a few minutes walk away from the chalet. Ice skating can be enjoyed by people of all ages and the ice rink can even be privately rented by the hour.

### Curling

Zermatt hosts one of the largest curling tournaments in Europe, so try your hand and train with the professionals. The curling rinks are located next to the main ice rink in the centre of the village.

### Fondue night at the Igloo Village

Sample a traditional cheese fondue in a real igloo, at the Igloo Village which is built every year at the Gornagrat in Zermatt. An exciting and authentic way to experience mountain dining in the shadow of the famous Matterhorn.

### Ski DVD

Star in your very own holiday video as our guide follows you on the pistes equipped with an HD camera, to capture your most memorable moments. A perfect way to remember your first ski or the jumps and tricks mastered during your stay! We can also provide you with a helmet mounted camera to record your own ski runs.

### Starlight Dinner at the top of the Mountain

For an unforgettable evening, travel on the Gornergrat train to the top of the mountain for dinner at the Kulm Hotel. At 3100 metres, you have a spectacular viewpoint to see the stars and moonlit peaks. After dinner, you will be joined by a professional astronomer to talk through the constellations that can be seen as well as entertain you with stories about the legends that accompany them.

### Ice Driving

For daredevils and thrill-seekers, be James Bond for the day and try your hand at driving prestigious sports cars on winter circuits. Trained professionals guide you and help you develop the skills required for driving on ice. Must be booked at least one month in advance. Day includes VIP transfer to circuit and back again.

### Summer Activities

#### Glacier Skiing

Zermatt's Theodul glacier offers year round skiing, even in the middle of August. Enjoy over 21km of pistes open from early morning to lunch time. You will be sharing the pistes with the European olympic teams that train all year round here. Instructors and guides available with this package which is suitable for all ages.

#### Golf

The golf course in Zermatt is located just outside Tasch with breath-taking views of the mountains including the Klein Matterhorn. Keen golfers can also take part in the Eagle Cup which takes place in August each year, up the mountains at an altitude of over 2500 metres.

#### Hiking

Hiking and walking can be enjoyed by all ages and abilities in Zermatt. With over 400 km of marked trails, there are routes for everyone. The mountain railway makes it possible to reach altitudes of over 3000 metres with ease. Guests can either hike with a map or if preferred we can arrange a guide and a stop-off for lunch. 90% of the hiking areas will take you through breath-taking nature reserves. Expert hikers can test themselves on the mountain ridge trails and even stay up the mountain for a night if desired.

#### Monte Rosa Hut

A brand new construction covered in reflective glass which double up as solar panels, making this a novel self-sufficient building at one of the highest points here in the Alps. Melting glacier water is collected in a cave underneath the hut which provides water for drinking and flushing. Visitors can tour the hut, as well as spend the night, which is used as a research station.

#### Mountain Biking

Biking downhill through the mountains is nearly as exhilarating as skiing. For those looking for speed and thrills, use the cable cars to easily access the top of the paths, and trail through the beautiful forests and landscapes on your way down. Dedicated trails are placed throughout the resort. Equipment and body protection is included in the price.

#### Gorner Gorge

Explore the natural phenomena that is the Gorner Gorge, created during the last Ice Age. The gorge was formed by the river "Gornera" during thousands of years and is marked by bizarre formations and spectacular waterfalls. The gorge has been decked with walkways and wood bridges, allowing you to explore the rocks and waterways. This can be done with a guide and a lunch at nearby restaurant included.

### Summer Activities

#### Dirt Scooters

The chunky downhill off-road dirt scooter is one of the fastest ways to get down the mountain in the summer months. The scooters have large wheels, brakes and suspension. Take the cable car up to Schwarsee and come straight back down on one of the several dedicated paths. Not for the faint hearted!

#### Forest Fun Park

The Forest Fun Park can be enjoyed by children and adults, as it has various different parts covering all skill levels. Travel through the trees and across the river on zip wires, rope bridges and walkways. Secured by safety lines, you can step, swing and climb from tree to tree. There are special trails for younger children and food and drink can be purchased on site.

#### White Water Rafting

For an afternoon off the mountain, why not try rafting down the Vispa river. With an instructor in the raft with you to guide, you will make your way downstream through the fast moving waters between Stalden and Visp, with the magnificent backdrop of the Alps surrounding you. Finish your adventure with a woodland BBQ. Suitable for 16 years and over. All equipment is provided.

#### Kayaking

Just like the rafting, you can enjoy a morning or afternoon on the river, kayaking down to Visp. A great way to see the valley and surrounding mountains, as well as keep fit! Suitable for 16 years and over. All equipment is provided.

#### Canyoning

Thrillseekers can push themselves to their limits with a action-packed day canyoning. Wearing a wet suit and helmet you will spend the day using a stream to follow a gorge: slide down beautiful rock slides, swim through clear pools, jump into the crystal waters and abseil down waterfalls. No experience required. All equipment is provided.

#### Fly Fishing

With your local expert fisherman and guide, enjoy a day or a night fly fishing on a private lake in the mountains. The lake is fully managed and controlled so as not to spoil the delicate eco system. All equipment is provided, and this can be enjoyed by complete novices or experienced fishermen. Afterwards, you get to cook your fish on the BBQ and take in the tranquil splendour of the surrounding mountains as you eat al fresco.

#### Mountain Picnics and BBQ's

Let our chef pack you a fresh home-made picnic hamper with all your favourites and eat al-fresco in the mountains. Our staff can prepare the picnic area for your arrival or you can take it yourself and spend a care-free day in the famous Alps. Alternatively, at selected spots in the mountains, our chef and staff can cook a barbeque and serve a hot buffet with a cool glass of champagne to wash it down. Bliss
